

**Anna Glavocih**  
VRCT Administrator

Anna has been employed at IPEM for 3½ years now. Her background consists of various office based jobs.

Anna says:

Some years ago I went to Australia for one year, where I met many interesting people and had some fantastic experiences. My eldest daughter was born there and so has dual nationality, although I am hoping she will not decide to go and live there when she is older!

When I returned to the UK, I stayed at home for quite a few years in order to bring up our two daughters, who are now fourteen and eight. During this time, I enrolled onto various adult educational courses in business communications, computer studies and other relevant subjects. When our youngest daughter started full time education, I decided it was time for me to re-launch myself into the employment market. After so long away, this was quite daunting, but I was subsequently appointed as VRCT Administrator/Training Assistant at IPEM to work alongside the Membership and Training Manager. Here I take care of all of the day-to-day administration of the VRCT, with excellent input and instruction from the VRCT Assessors!
